

Keppo Mansion and Keppo Guest House

Keppo Mansion and Guest House provide a perfect stay with accommodation and meeting facilities for all guests of the KWH group. Keppo Mansion and Guest House are situated in Jeppo, Finland, only 5 km from the Mirka factory. The environment is idyllic and a river flows through the park area. The Mansion building was built in 1860's and you can sense the romantic atmosphere. The Guest House has been in use since autumn 2014 and the decor is cosy. The new sauna building was taken in use at the same time. Relax and enjoy your stay in the sauna building with a gym and a whirlpool outside on the terrace.
